

Piss On You

Hc3

I'm helpless, why the world is full of war/hate...In all corner
s...violenc

Sad words, always keep your gun loaded...It never ends

Sometimes, keep your gun loaded now It hurts so

In my eyes, I see the pain and full of hate, I see all people,
I'm keeping down

I stay away, I hate this, I stay away

Ref:

I piss on you, politicians they are guilty

I'm sick of you, I wanna break it down, I wanna break

Piss on you, people we all are guilty

I'm sick of it , I wanna break it down, I wanna break i

Hate is mine, we all are gonna die
