

Summer Trip

Hc3

The 20 th of June is summer day, I have to go outside...the birds are flying, I'm o.k.

The river is silver in sunny day, I have to jump there papa...It's so nice I swim away

I'm free and that's o.k., I'll take you for nice trip in this warm day

We are free and that's o.k., Summer is our time so do it right

Now I'm sitting next to you, your skin smells like a flower, so touch me quietly and let your soul to dissolve in me

Are you worried about it, don't be afraid I'm with you and let me know if you are a right woman for me

Give me your soul, give me your line....don't lie to me just check it out now

Give me your soul, give me your love, the sun is watching you so do it right

Ref:

Summer day is calling

Summer day is falling

Are you sure that's o.k.
