

## China White

He Is Legend

It's getting late  
I'm coming home  
I picked this rose for you  
I've been away searching for oceans  
With time to kill

You better buy a gun  
I've seen them watching you  
The old man and his son  
They've been studying your moves

Why won't it rain  
They need the water  
They'll die faster than you  
I'm not in pain  
I've got my flowers  
It's happening

You better get your gun  
I've see them watching you  
This pain has just begun  
You will see me in the news  
I know you will

And I don't understand why I sleep all day, and I start to complain  
When there is no rain

I don't believe in miracles  
I don't believe in miracles  
But I believe in you  
Now I can't wait until I can sleep in late  
Maybe I'll miss you then  
With no garden to tend  
I can't wait until I can sleep in late  
Maybe I'll miss you then  
With no garden to tend

I am your gardener!  
I am your gardener!  
Oh no (what have I done)
