

His Name

He Is We

Why am I so afraid of the night?
My silhouette it taunts me
My lack of faith in this beautiful life
My knowing of it haunts me
I'm haunted and know I should be afraid

Lay awake at night
Cry you know its not alright to feel like you're falling into nothing
You can learn to fly
Just call
His name
Just call His name

Suddenly I wonder why I feel so alone
I know there's something out there
Thought I'd suck it up and do it all on my own
Wish I'd known He does care
I'm haunted
And I know I should be afraid

Lay awake at night
Cry you know it's not alright to feel like you're falling into nothing
You can learn to fly
Just call
His name
Just call His name

Where do we go?
Call out His name
Lift up our hands
Completely ashamed
Give it all up
Dropping our pride
Rip us apart
Change us on the inside
Now change us now (we cry out to you we fall on our knees)

Lay awake at night
Cry you know it's not alright to feel like you're falling into nothing
You can learn to fly
Just call
His name
Just call His name
