

Jefftown Creek

Head East

I remember the first time
Yeah, down in Jefftown creek
You and me and a bottle of wine
And the night just felt so sweet

Came up Sunday morning, the first day of the week
And I found that I had changed down in Jefftown creek

I know that I'm not the same anymore
Well, can't you see its true
Find all the answers and pass them along
Hope that it's me and you

When I found all the answers, the words I could not speak
But I knew that I had changed down in Jefftown creek

When I found all the answers, the words I could not speak
But I knew that I had changed down in Jefftown creek

I remember the first time
Yeah, down in Jefftown creek
You, and me and a bottle of wine
And your night just felt so sweet

Come up Sunday morning, the first day of the week
And I found that I had changed down in Jefftown creek

Come up Sunday morning, the first day of the week
And I found that I had changed down in Jefftown creek
Down in Jefftown creek, down in Jefftown creek, Jefftown creek
