## Adonai

This whole world back

Understand It's for the sake Of every man That I must take This whole world back To make things right I will attack I came tofight I will rise a generation up to be my soldiers I will tie my heart to yours p ut my head on your shoulders Chorus Make your escape from life with Adonai Everything in life depends on Adonai Understand It's for the sake Of every man That I must take This whole worldback To make things right I will attack I came to fight Natural disasters will keep coming but don't worry My people don't live in fear of death that's how you should be Chorus Make your escape from life with Adonai Everything in life depends on Adonai Lift all your worries upto Adonai You will all stop hurting come to Adonai Leave me alone now I'm not from here My home's in Heaven Leave me alone Rise Rise - Rise up Adonai Rise - Rise - Rise up Adonai Rise - Rise -Rise up Adonai Rise - Rise - Rise up Adonai Let your worries rest on Adonai -Life is just a test from Adonai -Make your escape from life with Adonai - Everything in life depends on Adona i - Lift all your worries up to Adonai - You will all stop hurting come to A donai -Understand It's for the sake Of every man That I must take

## Head

To make things right I will attack I came to fight (X8)
