

Flush

Head

Look at my face
I'm all sucked up
I think I'll sleep all day
I get The spins
when my eyes are shut
I hate feeling this way

FLUSH! All the puke I'm throwing
UP! In the toilet this
SUCKS! Not a part of growing
UP! Only spoils it

Life is boring
same old story
get drunk, throw up, sleep all day
I am something I'm not nothing
I can't let myself decay

How did I get Into my bed?
I don't remember anything
How did I get this bump on my head?
It could have come from anything

FLUSH! All the puke I'm throwing
UP! In the toilet this
SUCKS! Not a part of growing
UP! Only spoils it

Life is boring
same old story
get drunk throw up sleep all day
I am something I'm not nothing
I can't let myself decay

Tell me no gossip
I don't wanna know

Jimmy got caught
Smelling like beer by his mom and his dad
He's grounded for a year

Lisa got popped
She got a DUI
She cussed out the cops
She's lucky she's alive

Tell me no gossip
I don't wanna know

Pedro got jumped
He's always starting fights
Every time he gets drunk
It happens all the time

Reggie OD'd
From slammin heroin
He's not a dope fiend

he was trying to fit in

Take me Away please
Oh no life blows

FLUSH! All the puke I'm throwing
UP! In the toilet this
SUCKS! Not a part of growing
UP! Only spoils it
FLUSH! All the puke I'm throwing
UP! In the toilet this
SUCKS! Not a part of growing
UP! Only spoils it

Life is boring
same old story
get drunk throw up sleep all day
I am something
I'm not nothing
I can't let myself decay

Come on, get up, let's change! (4x)
