

# Flush

## Head

Look at my face  
I'm all sucked up  
I think I'll sleep all day  
I get The spins  
when my eyes are shut  
I hate feeling this way

FLUSH! All the puke I'm throwing  
UP! In the toilet this  
SUCKS! Not a part of growing  
UP! Only spoils it

Life is boring  
same old story  
get drunk, throw up, sleep all day  
I am something I'm not nothing  
I can't let myself decay

How did I get Into my bed?  
I don't remember anything  
How did I get this bump on my head?  
It could have come from anything

FLUSH! All the puke I'm throwing  
UP! In the toilet this  
SUCKS! Not a part of growing  
UP! Only spoils it

Life is boring  
same old story  
get drunk throw up sleep all day  
I am something I'm not nothing  
I can't let myself decay

Tell me no gossip  
I don't wanna know

Jimmy got caught  
Smelling like beer by his mom and his dad  
He's grounded for a year

Lisa got popped  
She got a DUI  
She cussed out the cops  
She's lucky she's alive

Tell me no gossip  
I don't wanna know

Pedro got jumped  
He's always starting fights  
Every time he gets drunk  
It happens all the time

Reggie OD'd  
From slammin heroin  
He's not a dope fiend

he was trying to fit in

Take me Away please  
Oh no life blows

FLUSH! All the puke I'm throwing  
UP! In the toilet this  
SUCKS! Not a part of growing  
UP! Only spoils it
