Look at my face I'm all sucked up I think I'll sleep all day I get The spins when my eyes are shut I hate feeling this way

FLUSH! All the puke I'm throwing UP! In the toilet this SUCKS! Not a part of growing UP! Only spoils it

Life is boring same old story get drunk, throw up, sleep all day I am something I'm not nothing I can't let myself decay

How did I get Into my bed? I don't remember anything How did I get this bump on my head? It could have come from anything
