

# Money

## Head

Look at yourself  
You can't even get to sleep  
Boy, you love your wealth  
You bow down to your money

You got what you want, but it won't get you far  
Was it what you thought?  
You forgot who you are  
Your wife has left you and you don't see your kid  
Now get on your knees  
You know who your god is

Your god is money, so bow down to it  
You act so funny, just look at yourself  
You've lost your family, your friends all use you  
You can't buy happiness so, get down on your knees  
Bow down

Look at yourself  
Your ticket to hell was free  
To everyone else  
You look like your livin a dream

Addictions have left you in your own gutter  
You can't buy your way out of this hell on earth  
If you don't get a grip you will soon be dead  
Now get on your knees you know who your God is

Your god is money, so bow down to it  
You act so funny, just look at yourself  
You've lost your family, your friends all use you  
You can't buy happiness so, get down on your knees

Bow down  
Bow down to your money  
Bow down  
Get down on your knees  
Bow down  
Bow down to your money  
Bow down  
Get down on your knees  
Bow down to your money

Were your dreams what you  
Always thought they'd be?  
Get down on your knees  
Bow down to your money  
Were your dreams what you  
Always thought they'd be?

Get down on your knees  
Bow down to your money  
Were your dreams what you  
Always thought they'd be?

Now bow down  
Bow down, bow down

Bow down, bow down  
Bow down, bow down  
Bow down, bow down  
Bow down, bow down  
Bow down, bow down  
Bow down, bow down  
Bow down, now

Hold on to your money now

Your god is money, so bow down to it  
You act so funny, just look at yourself  
You've lost your family, your friends all use you  
You can't buy happiness, so get down on your knees
