

Dragonborn

Headhunterz

You should have acted
They are already here

Dragonborn

Dragonborn

You should have acted
They are already here
The Elder Scrolls
Told of their return
Until the time
After oblivion opened
When the sons of Skyrim
Would spill their own blood

Dovahkiin
Dovahkiin
Naal ok zin los vahriin
Wah dein vokul mahfaeraak ahst vaal
Ahrk fin norok paal graan
Fod nust hon zindro zaan
Dovahkiin fah hin kogaan mu draal

But there is one they fear
He is... Headhunterz
Dragonborn

Dragonborn
Fus 'Ro Dah!
(2x)

But no one wanted to believe
Believe they even exist
And when the truth finally dawned
It dawned in fire

Dragonborn (2x)
