

Emptiness

Headhunterz

This world is an opposite world

This world is an absolute world

This world is a complete world

We have three statements:

Form is emptiness

Emptiness is form

Everything that appears, disappears

This world is an opposite world

No form, no emptiness

If you cut off all thinking

There is no form and no emptiness

This world is an absolute world

Form is form

Emptiness is emptiness

If you cut off all thinking

Your mind is clear like space

Form is form

Emptiness is emptiness

If you cut off all thinking

Your mind is clear like space

This world is a complete world

So, we have three kinds of worlds

Which one is correct?
