

End Of My Existence

Headhunterz

The beats,
The bombs,
The beats,
This is how we do it.
(8x)

I woke up in the middle of a dark vicinity
And had the intense feeling of being watched.
The silence forced me to listen to my own heavy breathing.
I panicked.
I knew this was my final destination.
The extreme resistance of my own body made me pass out.
The dark chamber became even darker.
This had to be it.
The end of my existence.

The end of my existence.

The dark chamber became even darker.
This had to be it.
The end of my existence.

Roll around, this is how we do it!

The beats,
The bombs.

The end of my existence.
The beats,
The bombs,
The beats,
This is how we do it. (3x)

The beats,
The bombs,
The beats,
The bombs,
This is how we do it.

The bombs,
The beats.
