

The Message Is Hardstyle

Headhunterz

I was sent on a mission to get the message delivered
And they're trying to dis me but I'm not gonna give up
I'm raw and uplifting and I'm saying it loud
Hard is the message and the message is Hardstyle
(2x)

Take a shot with your pistolette
Heady is back
With the force of a machete
Ready to show you the way to go now
Hard is the message and the message is Hardstyle

Start the showdown
I want you to know now
Hard is the message and the message is Hardstyle
It's hard to hold down
I need you to know now
Hard is the message and the message is Hardstyle
(2x)
