

Look Away

Headstones

Saw her standing there
Tears upon her cheeks told me something was wrong
I asked her what it was
She looked away and said
My daddy's home
I knew what that meant
It meant that I can never see you again
I had seen this once before
I didn't wanna deal with it anymore
Look away she said as she turned away from me

And I tried to hold her
Couldn't let her be
Let her be let her be I said
Why, why do you make me cry
She said I love you so
Look away, I don't wanna know
I saw her standing there
Tears upon her cheek told me something's wrong
I said what baby
She looked away and said
My daddy's home
Look away she said as she turned away, my God I know I loved her
Couldn't let her be
Let her be, let her be
Look away Look away
She said I love you so Look away
