Saw her standing there Tears upon her cheeks told me something was wrong I asked her what it was She looked away and said My daddy's home I knew what that meant It meant that I can never see you again I had seen this once before I didn't wanna deal with it anymore Look away she said as she turned away from me

And I tried to hold her Couldn't let her be Let her be let her be I said Why, why do you make me cry She said I love you so Look away, I don't wanna know I saw her standing there Tears upon her cheek told me something's wrong I said what baby She looked away and said My daddy's home Look away she said as she turned away, my God I know I loved he r Couldn't let her be Let her be, let her be Look away Look away She said I love you so Look away
