Heart in Hand

Why are you so
Fucking ignorant?
Of what's around you.
Take a closer look,
Look inside yourself,
And what you have,
Embrace it.

Show us the way,
Show us how to,
Better ourselves.

You have to realise,
This life is just a game,
Play it out,
However you want.
Don't let,
Anyone stand in your way.

I'll help you,
Keep your feet on the ground,
To keep you grounded.
I'll take it upon
Myself to lead us,
In the right direction.

Show us the way,
Show us how to,
Better ourselves.

We only have one life,
So fucking live it.
