

Give Blood

Heart in Hand

I took a chance, didn't think
it would turn out like this.
I gave my blood, and now it's all gone.
And everything that I did, was never,
good enough for you, for you.
But I walked away, even though I was pushed,
No fight or struggle,
I am bigger than this,
but I'll never be alone, it's true,
can't wait to, wait to watch you,

Fall, I won't forget this, but, I, was, hurt,
Can't wait to watch you, fall,
I won't regret this, but I, got, hurt,
Can't wait to watch you, fall.
But, There is no hatred, just disappointment,
we were like brothers back then,
there is no hatred, just disappointment,
I Wish you all of the luck in the world,
And everything that I did,
was never good enough for you, for you,

In this blood, down my face, this is, permanent,
I watched my dreams shatter,
I walked, away without regret, in my mind,
turns out it's not all it's made out, to be,
the choices, you make in
life, make you who you are,
and now I'm stronger,
Now, I'm stronger than ever,
Follow your heart, follow your dreams,
You'll be ok.
