

Boppy's Back

Heart

(Spoken): I'd like to dedicate this song
to Dr. Martin Luther King Jr.
My favorite ---

On Boppy's back I can see
Miracle --- out --- be
As I -- by in limousine, Boppy's back is part of me
It's all I need
Boppy's Back x2

-Instrumental-

---up my feet and --- back
And rest my cheek on Boppy's back
Together we've been to hell and back
Seen the world on Boppy's back
Boppy's back, .
