```
(Spoken):I'd like to dedicate this song
to Dr. Martin Luther King Jr.
My favorite ---
On Boppy's back I can see
Miracle --- out --- be
As I -- by in limousine, Boppy's back is part of me
It's all I need
Boppy's Back x2
-Instrumental-
---up my feet and --- back
And rest my cheek on Boppy's back
Together we've been to hell and back
Seen the world on Boppy's back
Boppy's back,.
