

A thousand times
And a thousand days
The wild bird singing
True love waits

Cryin' out
From the heart of desire
Circling over
In flames and fire

Awake in the cages
Oh, awake in the grave
We've been together
Far beyond the death
Stay by my side in darkness, night and day

Stay with me... remain, remain remain
Mashalla!

Ancient Eye
I leave you behind
You're not of my body
You're not of my mind

River, river running through my veins
Again and again I call your endless name
Say to me darkness dawning to day

Say to me, remain remain remain
Mashalla!
