

Red Velvet Car

Heart

No need standing in the rain
Just call me down to where you are
That icy wind will bring the pain
And I don't care if it's far

Don't sit crying in your room
Stealing candy from the jar
I will be there very soon
In my red velvet car

Maybe you got hit real hard
Maybe you are on the floor
People screaming out your name
'Cause they don't trust you anymore

I'm coming for you
I'm coming for you
I'm coming for you
I'm coming, oh yeah

I'm coming for you
I'm coming for you
I'm coming for you
Yeah, yeah, yeah, I'm coming
Yeah, yeah

So pull your weary bones inside
You can sleep while I drive
Watch the moonlight on the lake
I won't even touch the brake
In my red velvet car

My red velvet car
My red velvet car
