

## Seasons

## Heart

It was a soft summer night when you came into my life  
I thought it was a dream when your hand reached out for me  
there was something there that I couldn't compare  
and I knew that you were the only one for me  
seasons change

It was a cool autumn's eve when you sensed that I was leaving  
a tear came to your eye but I just let it run dry  
you said don't go away but I just left you anyway  
I wasn't sure if you were the one for me  
seasons change

It was a cold winter's morning I had been up all night crying  
I knew I'd done you wrong, I'd been astray for oh so long  
I'm on my knees in pain I wish things had stayed the same  
and I just hope that you will take me back  
seasons change

It was a warm spring's night when you let me back inside  
I thought it was a dream but you still cared for me  
your love filled my heart nothing could tear us apart  
and I knew that you were the only one for me
