Dancing close feeling restless

It's a slow and sultry night

It'll take a lifetime till sunrise if you won't stay with me to night

Feel your breath caress my shoulder as your heart reads my mind You don't have to tell me anything

I can see everything in your eyes

It's so easy with you

I don't need an excuse to be the woman in me

It's so hard to believe that I'm feeling so free to be the woman in me

Baby there's so much no man has ever touched of the woman in me

I might be trembling but I'm not scared

Just my desire breaking free

I've never had a chance like this before to unlock all the door s to be the woman in me

It's so hard to believe that I'm feeling so free to be the woman in me

Baby there's so much no man has even touched of the woman in me

Like the dark side of the full moon

I've never shown what I'm showing to you

It's so easy with you I don't need an excuse to be the woman in $\ensuremath{\text{me}}$

It's so hard to believe that I'm feeling so free to be the woma ${\bf n}$ in me

It's so easy with you. I don't need an excuse to be the woman in me

It's so hard to believe that I'm felling so free to be the woman in me
