Night inside the city
Empty sidewalks
Stretching under dizzy lights
Rain is hummin'
The streets are runnin'
Underneath the neon lights
We run together
We'll run forever
Outta here ridin' the wheels

Look at pretty windows At shiny people Statues under sparkling lights Just take a picture And a melted moment Flashin' on the crazy ride Just close your eyes now And breathe a sigh now We're gettin' outta here Outta here Ridin' the wheels (Ridin' the wheels) Ooo-uh Ridin' the wheels (Ridin' the wheels) Ridin' the wheels

## (Wheels)

Outta here, ridin' the wheels
(Ridin' the wheels)
Ridin' the wheels
Ridin' the wheels
(Ridin' the wheels)
Ridin', ridin' the wheels
(Ridin' the wheels)
Ridin', ridin', ridin' the wheels
Ridin', ridin', ridin' the wheels
Ridin' the wheels
Ooo-oh
Oh
Aye
