

Will You Be There (In the Morning)

Heart

I'm lying beside you, just thinking about us
Too tired to go to sleep, I'm too much in love
I know I'm crazy but I can't close my eyes
I'm scared you won't be there in the morning when I rise

Will you be there?
Now who do you dream about are you alone in your sleep?
To who will you reach out?
Oh, let it be me

Now baby, you're my obsession, my addiction, my drug
Don't want to be without you when I wake up, oh no

Will you be there in the morning?
Will you be there when I want you?
Will you be there when I wake up?
I need you to be there in the morning
Will you be there?

Now you're so close to me but I feel so alone
The more that I touch you, the more I want
Don't know what to do about me loving you
But I pray to God that you feel it too

Now baby, you're my obsession, my addiction, my drug
So let the candle grow into a great fire of love, oh yeah

Will you be there in the morning?
Will you be there when I want you?
Will you be there when I wake up?
I need you to be there in the morning

I wanna love you forever
Don't want a love that's now or never
Can't you see you got me down on the floor
I want more, more

Will you be there in the morning?
Will you be there when I want you?
Will you be there when I wake up?
Will you be there in the morning?
Will you be there?

Will you be there when I want you?
Will you be there when I wake up?
Will you be there in the morning?

Will you be there when I want you?
Will you be there when I wake up?
Will you be there in the morning?
