Will You Be There (In the Morning)

Heart

I'm lying beside you, just thinking about us Too tired to go to sleep, I'm too much in love I know I'm crazy but I can't close my eyes I'm scared you won't be there in the morning when I rise

Will you be there? Now who do you dream about are you alone in your sleep? To who will you reach out? Oh, let it be me

Now baby, you're my obsession, my addiction, my drug Don't want to be without you when I wake up, oh no

Will you be there in the morning? Will you be there when I want you? Will you be there when I wake up? I need you to be there in the morning Will you be there?

Now you're so close to me but I feel so alone The more that I touch you, the more I want Don't know what to do about me loving you But I pray to God that you feel it too

Now baby, you're my obsession, my addiction, my drug So let the candle grow into a great fire of love, oh yeah

Will you be there in the morning? Will you be there when I want you? Will you be there when I wake up? I need you to be there in the morning

I wanna love you forever Don't want a love that's now or never Can't you see you got me down on the floor I want more, more

Will you be there in the morning? Will you be there when I want you? Will you be there when I wake up? Will you be there in the morning? Will you be there?

Will you be there when I want you? Will you be there when I wake up? Will you be there in the morning?

Will you be there when I want you? Will you be there when I wake up? Will you be there in the morning?
