## You're the Voice

Heart

We have a chance to turn the pages over We can write what we want to write We gotta make ends meet before we get much older

We?re all someone?s daughter We?re all someone?s son How long can we look at each other Down the barrel of a gun?

You?re the voice, try and understand it Make a noise and make it clear We?re not gonna sit in silence We?re not gonna live with fear

It?s time you know we all could stand together We got the power to be powerful And believe it, we all could make it better

We?re all someone?s daughter
We?re all someone?s son
How long can we look at each other
Down the barrel of a gun?

You?re the voice, try and understand it Make a noise and make it clear We?re not gonna sit in silence We?re not gonna live with fear

We?re all someone?s daughter We?re all someone?s son How long can we look at each other Down the barrel of a gun?

You?re the voice, try and understand it Make a noise and make it clear We?re not gonna sit in silence We?re not gonna live with fear

No, no, no, hey, hey
We?re not gonna sit in silence
No more, no more
Oh yeah, no no
