

## Brazen

## Heartless Bastards

And I, I was up past the dawn  
Spots of twilight gone  
I've been hounded by the wounds that with speak  
And spittle bitter tongue

Things eclipsing all the time  
For better and worse alike  
And I always learn the hard way  
An instinct to be true, an instinct to be true

And I'm, gonna tell this world  
The only difference now is that I'm vigilant  
And I'm, gonna spread my wings  
'Cause I am vigilant, not gonna take no shit

And I, I was walking on a fire  
Coals beneath my feet  
The smoke has risen up  
And nearly suffocated me

Things eclipsing all the time  
For better and worse alike  
I always learn the hard way  
An instinct to be true, an instinct to be true

And I'm, gonna tell this world  
The only difference now is that I'm vigilant  
And I'm, gonna spread my wings  
'Cause I am vigilant, not gonna take no shit

And oh, everywhere I go  
Taking with that same new feeling with me now  
It get me through my ups and downs

And oh, everywhere I go  
Taking with that same new feeling with me now  
It get me through my ups and downs

I'm wide awake  
I'm wide awake  
I'm wide awake
