

Done Got Old

Heartless Bastards

Well, sometimes I feel old
Can't do the things I used to
'cause I feel old

Sometimes I feel old
Sometimes I feel old
Sometimes I feel old
Sometimes I feel old
Can't do the things I used to
'cause I feel old

Remember the day, baby
That's passed and gone
Said I could love you
Once in a time [?]
Nothing has changed
But I feel old

Can't do the things I used to
'cause I feel old

I don't look like I used to
I don't walk like I used to
I don't love like I used to, oh
But I feel old

Can't do the things
I can't do the things I used to
'cause I feel old
