

Fallin' For You

Heather Headley

I'm fallin for you
Boy the things that you do
Make me feel like I'm one with the world
I'm falling for you
Boy my heart will be true
Just as long as I'll be your girl

Remember lying awake
Praying for a man like you
Wishing my fantasies could somehow someday come true
I wanted someone who would appreciate the things I do
I finally found my baby

I'm fallin for you
Boy the things that you do
Make me feel like I'm one with the world
I'm falling for you
Boy my heart will be true
Just as long as I'll be your girl

Do you even know that I think about you constantly baby
Realize I'm all the woman that you'll ever need
Let me show you just how cool I think our thing can be
All I want is your good lovin'

I'm fallin for you
Boy the things that you do
Make me feel like I'm one with the world
I'm falling for you
Boy my heart will be true
Just as long as I'll be your girl
