

Love Will Find A Way

Heather Headley

In a perfect world
One we've never known
We would never need
To face the world alone
They can have their world
We'll create our own
I may not be brave or strong or smart
But, somewhere in my secret heart

I know
Love will find a way
Anywhere I go, I'm home
If you are there beside me
Like dark
Turning into day
Somehow, we'll come through
Now that I've found you
Love will find a way

I was so afraid
Now, I realize
Love is never wrong
And, so, it never dies
There's a perfect world
Shining in your eyes
And, if only they could feel it, too
The happiness I feel with you

They'd know
Love will find a way
Anywhere we go, we're home
If we are there together
Like dark
Turning into day
Somehow, we'll come through
Now that I've found you
Love will find a way

I know
Love will find a way
Anywhere we go, I'm home
If we are there together
Like dark
Turning into day
Somehow, we'll come through
Now that I've found you
Love will find a way
I know love will find a way
I know love will find a way
