Love Will Find A Way

Heather Headley

In a perfect world One we've never known We would never need To face the world alone They can have their world We'll create our own I may not be brave or strong or smart But, somewhere in my secret heart I know Love will find a way Anywhere I go, I'm home If you are there beside me Like dark Turning into day Somehow, we'll come through Now that I've found you Love will find a way I was so afraid Now, I realize Love is never wrong And, so, it never dies There's a perfect world Shining in your eyes And, if only they could feel it, too The happiness I feel with you They'd know Love will find a way Anywhere we go, we're home If we are there together Like dark Turning into day Somehow, we'll come through Now that I've found you Love will find a way I know Love will find a way Anywhere we go, I'm home If we are there together Like dark Turning into day Somehow, we'll come through Now that I've found you Love will find a way I know love will find a way I know love will find a way
