

# Running Back To You

Heather Headley

How can You forgive me when I've often gone astray?  
How can You think of me when I do things my way?  
Turning my back from You, the one who loved me first  
Having my own desires, renewing my worldly thirst

You told me You loved me and I should make up my mind  
You tell me come back now, but I keep wasting time  
Feeling so very weak, You say I can be strong  
But I feel I've gone too far, but You tell me to come home  
You love me still and I know this is real

And I am running back to You, I see You're standing there for me  
Your arms are opened wide and I don't have to cry no more  
You're standing there for me and I am running back to You  
Why do I go away when I know I am no good when I'm on my own?

You told me You could keep me but I've turned it away  
I failed You so much now I don't know what to say  
Using the same excuse that I'm only human  
But You tell me You have been there  
And hold your nail scarred hands so I can see  
Now I know I am free

'Cause You're standing there for me and I am running back to You  
Why do I go away when I know I am no good?  
I have taken advantage of Your love and grace  
Forgive me Lord and take me back home, take me back home

'Cause I'm running to You, Jesus please take me home  
You see I'm tired of pain and I don't like fear  
But Lord, I gotta be more sincere

And I am running back to You, I see You're standing there for me  
Your arms are opened wide and I don't have to cry no more  
You're standing there for me and I am running back to You  
I never should have left Your side, no, no  
Return me to Your guiding light, return me to Your guiding light
