

# Heart And Shoulder

Heather Nova

Wanna cry for you  
Would it do any good?  
If I rained for you  
It would just be water

And the night's with you  
And the storm's in your hand  
And you're down, and you're down  
And I can't lift you

I'm powerless to change your world  
I'm powerless to stop the hurt

But I'll give you my heart  
Give you my shoulder  
I give you my heart  
Give you my shoulder  
Over and over

Wanna run for you  
Would it do any good?  
If I flew for you  
You would still be standing

And it's hard watching  
'cause I'm part of you  
And it's hard not to  
Not to know what I can do

I'm powerless to change your world  
I'm powerless to stop the hurt

I'm trying hard to be your tower of strength  
I'm trying hard to bring you back to joy

I'll give you my heart  
Give you my shoulder  
I give you my heart  
Give you my shoulder

When the night just cuts you through  
And the dream is lost to you  
When you're worried and confused

I will give you my heart give you my shoulder  
I give you my heart  
Give you my shoulder  
Over and over

Time and again  
Give you my shoulder  
I will  
I give you my heart  
Give you my shoulder  
I will  
Time and again  
Over and over

I give you my heart  
Give you my shoulder
