

# It's Only Love

Heather Nova

I used to think that I knew what we needed  
I just assumed we would always be fine  
Now I don't think that we lost the feeling  
But we, let everything build up inside

It's only love  
But love should make us strong  
It's only love  
But love has been hurting so long

What a challenge, honesty  
What a struggle to learn to speak  
Who would've thought that pretending was easier

It's only love  
But love should make us strong  
It's only love  
But love has been hurting so long

And it's all, a part of me  
It tears at my heart  
Only love  
And it's all an eternity  
Hoping to learn  
Only love

Love

There's a part of you I'm trying to reach  
Still a part I don't know  
Tell me, is devotion a gift or a thief  
Do you wish I'd let go

It's only love  
But love should make us strong  
It's only love  
But love has been hurting so long

And it's all, a part of me  
It tears at my heart  
Only love  
And it's all, eternity  
Hoping to learn  
Only love

Only love, only love  
Only love, only love, only love, only  
Only love, only love, only love, only love  
Love, only love
