

Let's Not Talk About Love

Heather Nova

I don't know if I love you
Or if it's all in my head
I don't know if I love you
Though I know it's what I said

Cuz love is something I don't understand
Can't explain, I can't hold in my hand
But I'll stay here tonight
And I'll keep the flame alight
But let's not talk about love

I don't know if I love you
Though I feel some pain
I don't know if I love you
Or if I'm playing the game

Cuz love is something I don't understand
Can't explain, I can't hold in my hand
But I'll stay here tonight
And I'll make you feel alright
But let's not talk about love
