

## London Rain (Nothing Heals Me Like You Do)

Heather Nova

I'm coming, I'm coming home to you  
I'm alive, I'm a mess  
I can't wait to get home to you  
To get warm and undressed

There've been changes beyond my dreams  
Everybody wants me to sing  
There've been changes beyond my grasp  
Things I'm sinking in

So keep me, keep me in your bed all day, all day  
Nothing heals me like you do  
Nothing heals me like you do

And when somebody knows you well  
Well, there's no comfort like that  
And when somebody needs you  
Well, there's no drug like that

So keep me, keep me in your bed all day, all day  
Nothing heals me like you do  
Nothing heals me like you do

And when I'm home, curled in your arms  
And I'm safe again  
I'll close my eyes and sleep, sleep  
To the sound of london rain

So keep me, keep me in your bed all day, all day  
Nothing heals me like you do  
So keep me, keep me in your bed all day, all day  
Nothing heals me like you do  
Nothing heals me like you do

Nothing falls like london rain  
Nothing heals me like you do  
Nothing falls like london rain  
Nothing heals me like you do  
Nothing falls like london rain  
Nothing heals me like you do  
Nothing falls like london rain  
Nothing heals me like you do
