

# Until The Race Is Run

Heather Nova

No words to describe  
This ocean inside  
I'm tired and I'm afraid  
And I can't find my way

I've been hiding for days  
Caught up in these waves  
Of hope and sorrow  
I gotta find my strength

And I know I'm gonna make it  
If my heart can take it  
And if I don't, I know I'm gonna go out fighting

And I know I'm gonna get through  
Cause I got the will to  
And if I don't, I know I'm gonna go out trying

Could I rise up above  
And be healed by love  
And dream about the mountains that I've yet to climb

Can I touch what I feel  
Can I make it all real  
Just dream another dream to take me high

And I know I'm gonna make it  
If my heart can take it  
And if I don't, I know I'm gonna go out fighting

And I know I'm gonna get through  
Cause I got the will to  
And if I don't, you know I'm gonna go out trying

I will be strong  
I will hold on  
I will keep winning until the race is run

I will be strong  
I will hold on  
I will keep winning until the race is run

It's a beautiful day  
If I could just walk away  
From everything that keeps me from the truth I know

'Cause I know I'm gonna make it, make it  
If my heart can take it  
And if I don't, I know I'm gonna go out fighting

I know I'm gonna get through  
'Cause I got the will to, got the will to  
And if I don't, you know I'm gonna go out trying

I will be strong  
I will hold on, I will hold on  
I will keep winning until the race is run

I will be strong  
I will hold on  
I will keep winning until the race is run

I will be strong  
I will hold on  
I will keep winning until the race is run

I will be strong  
I will hold on  
I will keep winning until the race is run

I will be strong  
I will hold on  
Until the race is run  
I will keep winning until the race is run
