

# Winterblue

Heather Nova

Kiss your lashes, kiss you low  
I'm driven to you like the driven snow  
There's a place for us to lie  
For every lover there's a piece of sky

To every life a light that shines  
To every heart a beat that's true  
Baby, you're my yellow summer  
Baby, you're my winterblue

You know this was meant to be  
Long ago, a hundred years from now  
Tossin' on an open sea  
Love so good, it's easy to go down

To every life a light that shines  
To every heart a beat that's true  
Baby, you're my yellow summer  
Baby, you're my winterblue  
Baby, you're my yellow summer  
Baby, you're my winterblue

To every life a light that shines  
To every heart a beat that's true  
Baby, you're my yellow summer  
Baby, you're my winterblue

I love you like a jungle fever  
I'll never, never, never, I'll never leave  
Through every vein and every fiber  
I'll never, never, never, I'll never leave

To every life a light that shines  
To every heart a beat that's true  
Baby, you're my yellow summer  
Baby, you're my winterblue

Baby, you're my yellow summer  
Baby, you're my winterblue  
Baby, you're my yellow summer  
Baby, you're my winterblue  
Winterblue, winterblue, winterblue  
My winterblue

My my, my my, my my  
My my winterblue  
(My yellow summer)  
Winterblue  
(My yellow summer)  
Winterblue  
(My yellow summer)
