

Well you shouldn't doctor yourself  
Well I pictured somebody else  
Someone who looks like  
What I look like

Would you say that the one of your dreams  
Got in you and ripped out the seams  
That's what I'd say  
That's what I'd say

He was a sucker for your double dose  
Motherf\*\*\*er turned white as a ghose  
Don't you say hi  
Don't you say hi

With your broken sink for a face  
In a head that just takes up space  
He's not half right  
He's not half right

It's already half past  
And it won't last

I was sticking up for my friend  
Well there's nothing much to defend  
It's a lost fight  
It's a lost fight

Cos when I talk to you on the phone  
Well, it's just like being alone  
It's not half right  
It's not half right
