

# Temptation

Heaven 17

I've never been closer, I've tried to understand  
That certain feeling, carved by another's hand  
But it's too late to hesitate, we can't keep on living like this

Leave no track!                      Don't look back!

R:

All I desire - Temptation - Keep climbing higher and higher  
- Temptation  
Adorable creatures - Temptation - With unacceptable  
features - Temptation  
Trouble is coming - Temptation - It's just the high cost of  
loving - Temptation  
You can take it or leave it - Temptation - But you'd better  
believe it

You've got to make me an offer that cannot be ignored  
So let's head for home now, everything I have is yours  
Step by step and day by day, every second counts I can't break away

Leave no trace!                      Hide your face!

Keep us from temptation - Lead us not into temptation

Trying to find it- Temptation - You've got to get up behind  
it - Temptation  
Put your dime in the hot slot - Temptation - But it's a  
million to one shot - Temptation  
You think that you're right now - Temptation - You're going to  
fake it tonight now - Temptation  
Give me a breakdown - Temptation - Because it's time for a  
shakedown

Keep us from temptation - Lead us not into temptation
