

Temptation

Heaven 17

I've never been closer, I've tried to understand
That certain feeling, carved by another's hand
But it's too late to hesitate, we can't keep on living like this

Leave no track! Don't look back!

R:

All I desire - Temptation - Keep climbing higher and higher
- Temptation

Adorable creatures - Temptation - With unacceptable
features - Temptation

Trouble is coming - Temptation - It's just the high cost of
loving - Temptation

You can take it or leave it - Temptation - But you'd better
believe it

You've got to make me an offer that cannot be ignored
So let's head for home now, everything I have is yours
Step by step and day by day, every second counts I can't break away

Leave no trace! Hide your face!

Keep us from temptation - Lead us not into temptation

Trying to find it - Temptation - You've got to get up behind
it - Temptation

Put your dime in the hot slot - Temptation - But it's a
million to one shot - Temptation

You think that you're right now - Temptation - You're going to
fake it tonight now - Temptation

Give me a breakdown - Temptation - Because it's time for a
shakedown

Keep us from temptation - Lead us not into temptation
