

# We Live So Fast

Heaven 17

Please don't ask me to stay  
I'm leaving this town  
Don't worry now  
Believe me as I believe that  
Luck is on my side  
The future is mine  
If I can find  
A way through these strange days of my life

We live so fast  
Motion, motion  
No time to waste  
Use it, use it  
We live so fast  
Motion, motion  
Make the first step and reach out for tomorrow  
We live so fast  
Motion, motion  
We can't stand still  
Move it, move it  
We live so fast  
Motion, motion  
Move out of my way it's time to make it happen

The streets deserted and cold  
They're not paved with gold  
But I don't care  
For those who think young will still survive  
Making their move  
Hoping to prove  
That they can face  
This big city, small world, big time

We live so fast  
Motion, motion  
No time to waste  
Use it, use it  
We live so fast  
Motion, motion  
Make the first step and reach out for tomorrow  
We live so fast  
Motion, motion  
We can't stand still  
Move it, move it  
We live so fast  
Motion, motion  
Move out of my way it's time to make it happen

But now I know their ways  
I found my place  
Saw their true face  
There's nothing to stay for so I'll go  
I'll pick up the phone  
Still searching for home  
We live so fast  
Alone but not lonely I move on

We live so fast  
Motion, motion  
No time to waste  
Use it, use it  
We live so fast  
Motion, motion  
Make the first step and reach out for tomorrow  
We live so fast  
Motion, motion  
We can't stand still  
Move it, move it  
We live so fast  
Motion, motion  
Move out of my way it's time to make it happen
