Get up, party people, listen to this rap  
Cause I'm about to go down and put my town on the map  
MC Heavy D, delighted you'll be learnin  
About the place where I rest, Moneyearnin' Mount Vernon

(Money, money, money - MONEY) (2x)

My town is really quaint, but we ain't no saints  
And if you think we're pooh-puts, think again, we ain't  
We're stormin strong, get taken out, never  
Mob, stone cold terror  
Not here to talk about that negative tip  
Just makin sure you didn't make the mistake and slip  
Not rappin all about the good times and chillin  
But you can come and visit, homeboy, that's if you're  
willin  
If you like it so far, you think you want more?  
Come Uptown and I take you on a Heavy D tour  
On Mount Vernon

(1-2-3 - hit me!)

(Money, money, money - MONEY) (4x)

Born in Jamaica, Mount Vernon I grew  
But I still do my shopping on 4th Avenue  
Buy my Nikes from Chambers, then walk down the block  
Get the gear that I wear from Buddy's Big Men Shop  
When I start to get hungry and it's time to eat  
Buy a burger from Shabazz on 4th Ave./3rd Street  
I'll never forget the place I got my start  
Around the corner from the crib, and it's called  
(Park)

Now in this park I'd bang a beat on a seat  
Bust a rap for the crowd that was really unique  
For an eight year old kid inside the 4th grade  
And when I grew they all knew that I'd get paid  
And on my way up I took no shorts on the court  
I played and I slayed, I learned and I taught  
And shortly after that everybody was yearnin  
For Hev to go down in the town of Mount Vernon

In the summertime, when the heat is hot  
We can cruise on 3rd Street, but you can call it the  
block  
Fly ladies out there in the short set suits  
Nothin ugly approved cause all the girlies are cute  
Would drive in my Blazer for a four-dollar fee  
Written on the license plates is my name -  
When it's time to chill we go to 4th Street Park  
Pick up some brew from Big Lou when it gets dark  
Go watch the summer league games, sip and forty and max  
Cheer for the winner and watch the competiton get waxed  
When that's all over it's party time  
Come to the show and watch me go on a Heavy D rhyme  
In Mount Vernon
