

"Ni-Ni-Nike-Nikes"

N-N-N-Nikes I'm for 'em, out the store I bought 'em  
And on the b-b-basketbll c-court is where I score them  
I'm a, Nike bro I sing SOPRANO acapello  
Every, tour that I go, oh no, I won't forget 'em  
It's a dangerous thing, never leave home without 'em  
Trade in my Nikes I won't even think about it  
On my beat the Nike's sleeker, the other kicks are  
weaker  
Eddie F pushes the button, the beat comes out the  
speaker  
The boy can do the dancin, he also does romancin  
And when I park my Blazer in my Nikes I'll be p-p-  
prancin

"Niiiiiiii-kes"

Oh what a relief!  
They have red ones, yellow ones, black ones too  
White on white, green on white, just to name a few  
My crew is fully equipped from ah, the tops to bottom  
Everything Nike makes, Heavy D & the Boyz got 'em  
So hurry up-ah, run to the store, go get a pair  
Guaranteed to be the #1 sneaker of the year  
If you're buy yourself, get some for your crew  
We wear N-Nikes so you should wear N-Nikes too

"The Nike-the Nike-the Nike-the Nike" "Niiiiiiii-kes"

What else can I say? (Nike)  
We didn't do this cause we had to  
We did this cause we wanted to  
All we wear is Nike, I sleep with Nikes  
Ah-aha-ha-ah-ah-ah-Nikes

[Nike samples repeated to fade]
