Gorgeous women
Swimming in 'em
Cinnamon with denim
Diva pigeons
Peep the glissin'
Y'all don't listen
See what you missin'
Diggy, double shot a henny
All about the ammo NeY
Bubble like no any
Diamond lipped
Crucifixe
Seducing chicks
Selective whips
Consecutive hits
I break sun with Pun
Crew hall with Ball
Screw all of y'all
We the bigshots
Heavy rotation
Every location
Smoke stogies with roadies on the corner in front of Bodega's
World famous
You gon' love us or hate us
You the type that'd scuff up my gators
Because of my papers
Been about my glitter
So you killin my jaw

Days and days
Blazing green shades
