Complications may develop, during this form of rap  
I've overcome it overwhelmingly it's just a fact  
Cause I'm a trooper on the mic that's then to be  
an inspiration for folks who sit in the rap industry  
Before I will obtain, gain without strain  
And power so strong that I absorb to remain  
the wizard of rap, on the microphone stand  
Make it seem like it's a dream, I'm in command  
The Overweighter! The Overweighter

The rhyme be comin at'cha like a bat out of hell  
The jam is fresh we made it well, I know what it sell  
When I say we, it ain't just me, cause it's my DJ too  
He jams tonight for yo' delight, when I say yo' I mean you

So sit down you need to clap, with cap  
Cause he's alert and he will hurt, on his face there'll be a smirk  
to sweep the rest away, and treat 'em all like dirt
