Heavy Heavy Low Low

(We're all gonna die)
This ship is gonna sink
Without it's captain

(So take your shit and leave)
So take your 21st century telegraphs
(So take your shit and leave)
And take your keystroked morse code
Whoa whoa jay kay kay kay

If you write to binary long enough
Your liable to lose your penmanship
I can't write a god damned thing
And I can feel even less

A nice
(There's an upside to)
Subtle
(Corporal tunnel)
Fuck you
(Duster hits and)
Fuck you
And fucking your secretary

It's better to give than recieve,
Better to steal
