

# Run With The Devil

Heavy Load

He has all the power  
Of darkness and night  
Making you believe  
That evil's all right  
There's a fire in his eyes  
He can make you burn  
From the dead  
He'll make you return

Sell your soul for gold  
Do as you are told

Run with the devil  
Don't come to me  
Run with the devil  
You can take me

Filling you with dreams  
Promising the moon  
Making you believe  
You'll get there very soon  
Offering you a life  
Of glory and gold  
It's really in you  
To hell I know you're sold

Sell your soul for gold  
Do as you are told

Run with the devil  
Don't come to me  
Run with the devil  
You can take me

Take him to your heart  
And you'll lose your soul  
It's tearing you apart  
Taking all control  
Dreaming of a lie  
All you get is fear  
Agony and pain  
Your end is very near

Sell your soul for gold  
Do as you are told

Run with the devil  
Don't come to me  
Run with the devil  
You can take me
